## PERSEVERANCE

A wood-cutter led a very miserable life with the small means he could procure by his cutting. Once a Sannyasin, wending his way through the forest, saw him at work, and advised him to go deeper into the recesses of the forest, implying that he would be a gainer by doing so. The wood-cutter obeyed the direction and proceeded onwards till he came to a sandal-wood forest. He was much pleased with his discovery, and carried away as many sandal-logs as he could, and got a good price for them in the market. Having done this, however, it occurred to him that the good Sannyasin had not told him about the sandalwood, but had simply advised him to proceed onward into the heart of the forest. So the next day he went farther, passing beyond the sandalwood forest, till at last he came upon a mine of copper, where he stopped and carried away as much copper as he could to get much money in the market by its sale. Next

day, without stopping at the copper mine, he proceeded still farther, as the holy man had advised him to do, and came to a silver mine; and so proceeding farther and farther every day, he found in turn gold and diamonds, and at last became exceedingly rich. Such is the case with the man who aspires after true knowledge. If he is not stayed in his progress, after a single state, or a few extraordinary powers, he becomes in the end really rich In the eternal

knowledge of Truth.

If a single dive into the sea does not bring to you the pearl, do not conclude that the sea is without pearls. Countless are the pearls hidden in the sea. So, if you fail to see god directly after you have finished a few devotional exercises, do not lose heart. Go on patiently with your exercises, and you are sure to obtain divine grace at the proper time.

***SHRI MANGAL MANDIR WISHES HAPPY DIWALI AND  
PROSPEROUS NEW YEAR TO EVERYONE***

## FRIENDS.....

In the past, during Diwali time we have asked you for "Daan" according to the guidelines of our scriptures. Most of you have responded to this very generously and promptly which has certainly helped towards making our Mangal Mandir mortgage free. It is this "Daan" that has truly lighted the lamp which symbolizes Diwali.

Once again we ask you to keep the spirit of giving in focus and donate generously so that we can keep the lamp lighted through the year. We are now looking forward to raising construction fund for new parking lot and your generous donation will help to achieve this objective. So please, let us all dig deep down in our pockets and give whatever our circumstances allow. Diwali must truly become the Festival of Lights by the lighting of that spark of conscience within us to give generously - a donation that is worthy of you.

PLEASE DONATE GENEROUSLY.
