## DAILY THOUGHTS - LOVE

The only way we surmount the evils and limitations of the world is through the realization of love. When we know we are all children of one Divine Being, we naturally become united. This is something we do not realize through theory. We find the center of this realization in our own heart. When we have found it there, we realize it in the universe. But if we do not realize it in our heart through humility and devotion, we may seek it everywhere in the world but we shall find it nowhere.

One who possesses love in abundance, he does not remain content with mere theory; he becomes practical in his spiritual living. Carrying the ideal with us in our everyday life is the real aim of spirituality. What we have in our heart, that we are bound to manifest in our

life. It is love, then we shall not fail to speak the kind word, or do the kind act, or give silent expression to love by our sympathetic attitude of mind.

Love, forgiveness, tolerance are qualities that come from within. They are the result of an expansion of the soul. There is but one standard in life, - to love and serve and not pay heed to the world. The great thing in any kind of work is to keep ourselves quiet and serene, never fretful or morose. We cannot render true service until we have made our body and our mind fitting channels. When are we happiest? When we have a sense of spiritual relationship with mankind, then the veil of selfishness is lifted from our inner vision and we realize the oneness of our soul with the Great Soul and with all humanity.

***SHRI MANGAL MANDIR WISHES HAPPY DIWALI AND  
PROSPEROUS NEW YEAR TO EVERYONE***

## FRIENDS.....

In the past, during Diwali time we have asked you for "Daan" according to the guidelines of our scriptures. Most of you have responded to this very generously and promptly which has certainly helped towards making our Mangal Mandir mortgage free. It is this "Daan" that has truly lighted the lamp which symbolizes Diwali.

Once again we ask you to keep the spirit of giving in focus and donate generously so that we can keep the lamp lighted through the year. We are now looking forward to paying off land mortgage and your generous donation will help to achieve this objective. So please, let us all dig deep down in our pockets and give whatever our circumstances allow. Diwali must truly become the Festival of Lights by the lighting of that spark of conscience within us to give generously - a donation that is worthy of you.

PLEASE DONATE GENEROUSLY.
