Relinquishing all dharmas, take refuge in Me alone; I will liberate you from all sins; grieve not.

DAILY THOUGHTS AND PRAYERS

- Forget yourself as much and as often as you can. One cannot conceive a holy life without self-forgetfulness. As long as we think of ourselves, we cannot think of God. We should be able to lay down the little self of ourselves without any sense of loss. This becomes easy when a holy sense is born in the mind and when a holy purpose rises in the heart, which blesses and sanctifies our soul.
- When we first try to walk in the spiritual path, we find only obscurity; but the awakened Soul finds it bright and full of God. It is obscure because we create our own obscurity. It is bright for the one who is awake, because he carries with him a light that is unfailing. When we see only darkness about us, if we can get a sense of Divine protection, light will come to us.
- We are constantly reaching out; and we cannot move away from the center of our being without exhausting ourselves

spiritually, physically and mentally, because we cut ourselves off from the source of light. It is the outgoing man who blunders. The one who looks for help outside nearly always meets with disappointment. Our real help comes from an inner source. We do not go to heaven in a crowd. We do not seek the crowd when our mind is filled with holy spiritual thoughts and light.

- The light of wisdom teaches us self-detachment – detachment from the petty details of life. This is true renunciation. We must never forget our connection with Divinity. We all want something that will make our life more complete, but this does not mean the acquisition of material things. The wise pray: “Make my life more beautiful, more fruitful, more productive of good and more divine.” The man who gives up always finds something of greater value.

***SHRI MANGAL MANDIR WISHES HAPPY DIWALI AND  
PROSPEROUS NEW YEAR TO EVERYONE***

## FRIENDS.....

In the past, during Diwali time we have asked you for “Daan” according to the guidelines of our scriptures. Most of you have responded to this very generously and promptly which has certainly helped towards paying Mandir’s liabilities. It is this “Daan” that has truly lighted the lamp which symbolizes Diwali.

Once again we ask you to keep the spirit of giving in focus and donate generously so that we can keep the lamp lighted through the year. We are now looking forward to reducing our mortgages and undertaking new projects your generous donation will help to achieve these objectives. So please, let us all dig deep down in our pockets and give whatever our circumstances allow. Diwali must truly become the Festival of Lights by the lighting of that spark of conscience within us to give generously - a donation that is worthy of you.

PLEASE DONATE GENEROUSLY.
