## DAILY THOUGHTS AND PRAYERS

- We feel the Presence of the Great Spirit (Brahma) of the Universe in Silence. The silence is not so much external silence. It is the silence of the inner being. As long as there is turbulence and unrest within us we can never reflect the Spirit of Holiness, nor can penetrate to the innermost depths of our being. Only when there is a cessation of all unrest within our heart do we feel the divine presence and at once arise within us a new sense of sanctity.
- Holy thought and aspiration take away all hatred, envy and jealousy and we become gentle beloved children of God. But this unity cannot be reached by calculation or pretense, or by intellect alone. It requires more than mere intellectual grasp. It requires the spirit of Sanctity. This unity is found in silent communion, when we lose all sense of importance of the outer and feel the importance of the inner. There is no such thing as imitation in the spiritual world.
- We all have that majestic soul within us. We can all grow with its expansion, or we can stay in a narrow little circles and contacts. The greatest misfortune that can come to a soul is to lose its spiritual vision. No one can rob us from the majestic soul which we have. Only the things that rise within ourselves can rob us of it. They are our real enemies, they cheat us of our rightful spiritual heritage.
- Universal vision gives us a conception of Divine Being. Through universal vision we approach nearer and nearer to the Supreme. We cannot have of life, if we have any crookedness or narrowness in our thought or habit. We cannot have access to God without sincerity and faith. Only absolute dependence and absolute trust – such trust as a child has in his mother – will enable us to establish a living relationship with God.

***SHRI MANGAL MANDIR WISHES HAPPY DIWALI AND  
PROSPEROUS NEW YEAR TO EVERYONE***

## FRIENDS.....

In the past, during Diwali time we have asked you for “Daan” according to the guidelines of our scriptures. Most of you have responded to this very generously and promptly which has certainly helped towards paying Mandir’s liabilities. It is this “Daan” that has truly lighted the lamp which symbolizes Diwali.

Once again we ask you to keep the spirit of giving in focus and donate generously so that we can keep the lamp lighted through the year. We are now looking forward to reducing our mortgages and undertaking new projects with your generous donation which will help us to achieve these objectives. So please, let us all dig deep down in our pockets and give whatever your circumstances allow. Diwali must truly become the Festival of Lights by the lighting of that spark of conscience within us to give generously - a donation that is worthy of you.

PLEASE DONATE GENEROUSLY.
