## WHY HINDUISM?

Hinduism teaches us to respect the views of others, an essential requirement for maintaining harmony in the society. And as such Hindus respected all other religions. However with passage of time of thousands years, many thinkers begin to interpret and teach Hinduism as if all religions are the same. There can be nothing further from truth. The respect for other religions does not mean that all religions are the same. Hinduism being the oldest of all, it influenced the later religions of the world. Therefore, many similarities do exist. Hinduism is universal and has stood the test of time. Here are few facts about Hinduism which are true and universal in all aspects:

- Hinduism is the science for the development of the mind and body of the individual, the family, the society and the nation and ultimately of the world in perfect harmony with each other.
- History testifies that wherever Hinduism spread, it brought harmony, peace and prosperity there, instead of death and destruction.
- Hinduism believes in the doctrine of 'Live and let live' and 'look upon all beings as your own self' and the sole aim is to remove the suffering of living beings.
- Hindu saints and sages proclaimed that there could be no harmony in the world till a man is in harmony with his own self. Thus Hinduism is synonymous with harmony. It is harmony personified.

- Hinduism is the culmination of the cultural evolution of mankind. It is really a science for the good of humanity.

*VHS*

I am a Hindu because it is Hinduism which makes the world worth living.

I am a Hindu: because I love not only human beings, but all living beings.

*Mahatma Gandhi*

Let me tell you plain, if a comparison be instituted with any amount of justice, the Hindus with all their faults will be found head and shoulder above all other religions in the world as a moral community.

*Swami Vivekanand*

***SHRI MANGAL MANDIR WISHES HAPPY DIWALI AND PROSPEROUS NEW YEAR TO EVERYONE***

## FRIENDS.....

In the past, during Diwali time we have asked you for “Daan” according to the guidelines of our scriptures. Most of you have responded to this very generously and promptly which has certainly helped towards paying Mandir’s mortgages. It is this “Daan” that has truly lighted the lamp which symbolizes Diwali.

Once again we ask you to keep the spirit of giving in focus and donate generously so that we can keep the lamp lighted through the year. We are now looking forward to reducing our mortgages and undertaking new projects your generous donation will help to achieve these objectives. So please, let us all dig deep down in our pockets and give whatever our circumstances allow. Diwali must truly become the Festival of Lights by the lighting of that spark of conscience within us to give generously - a donation that is worthy of you.

PLEASE DONATE GENEROUSLY.
